

A decorative graphic featuring a large, light blue dashed circle that frames the central text. Various solid-colored circles in shades of teal, green, yellow, orange, and pink are scattered around the perimeter. Some circles are solid, while others are dashed outlines. The overall design is clean and modern.

This is US!

Getting to know each other on Day 1 of 180.

Directions

Part 1

Scroll through the deck until you find a slide another person isn't typing on (you'll see their name on the slide if they are!)

Customize the slide with **your own answers**:

- Replace “template” with **your name**
- Take a **selfie** & replace the generic image picture with your smiling face (You can use your Chromebook to take a picture of yourself or upload an existing one. Either way, it should clearly show your face)
- Answer the **questions** that follow

Part 2

Read through your classmates' slides and learn some **new info** about each other!

Let them know you read their slide by leaving a **comment**:

Click “Comments” (upper right corner) and type your comment in the box. You can leave a positive comment, something you share in common with that person, or a compliment.

Comment on at least **10 slides**:

- At least 5 people you don't already know
- At least 5 people who are the opposite gender
