

Uniform Tuition Billing One-to-One Services 2019-20 School Year

Purpose: This form is for the serving districts to submit documentation to the Minnesota Department of Education (MDE) for one-to-one professional services, contract services, contracted student placement, or specialized equipment provided to a nonresident student to be included in the tuition billing system. The services or equipment must have been specified in the student's Individualized Education Program (IEP) for the specific amount of time and duration. **This form is not for one-to-one paraprofessionals.** This is not a shared service but a service solely for the nonresident student. Forms that appear to be shared service will be returned.

Instructions: Handwritten applications **will not** be accepted. Please use the online form process to complete this application.

- Complete the information required below including serving district, resident district, student, hours of one-to-one professional services, etc.
- Specify the type of service, e.g., nursing, teacher, interpreter, intervener, etc., and provide the name of the service provider or piece of equipment.
- The services for the non-resident student must be entered on a **single line** on the Special Education Data Reporting Application (SEDRA).
- The completed form should be sent to the Minnesota Department of Education, Division of School Finance, Special Education Funding, 1500 Highway 36 West, Roseville, MN 55113-4266.
- Mail a copy of the completed form to the director of special education of the resident district.
