## 2018-2019 advertising contract

The Minnesota Administrators for Special Educations' quarterly Impact newsletter is distributed to over 400 directors of special education; public and private school superintendents; regional, cooperative and state agency administrators; post-secondary instructors of administrator training; and other central office school administrators. MASE surveys show that a large majority of members rate the Impact as one of their most important membership benefits! The MASE Impact is electronically published and archived online at [www.mnase.org](http://www.mnase.org). Arrange your ad by completing the form below and returning it to:
